

Bear Creek Instrumental Music Program
<https://www.bchsimp.org/>

Dear Crafter,

Thank you for your past participation in the Bear Creek Instrumental Music Program Craft Fair. Due to safety concerns surrounding the spread of COVID-19 at large gatherings, we are sad to announce that the 27th annual craft fair is officially cancelled. We look forward to seeing you all in person in 2021! If you had a booth in 2019, we will offer you that same spot in December 2021.

As you know, our craft fair typically raises over \$20,000 to support our music program here at Bear Creek High School. This allows students to have quality instruction and resources to keep student learning high (coaches and specialists in band, orchestra, percussion, dance and guard) to assist with increasing skill levels for our musicians and guard. As a way to continue supporting our program and you as a crafter, we would like to offer you the opportunity to have a listing on our new craft fair page of our website. For a minimum \$50 donation, we will include your information from the time it is received through the end of December.

We know our community will be disappointed that this annual tradition will not occur this year and look forward to the opportunity to share your information. We will use social media to promote our crafters and direct our community to this page of our website.
